

ASSEMBLY INSTRUCTIONS

Marine Porthole Large Flush Mount

Item # RL19024

NOTICE:

This light fixture should be installed in accordance with all applicable, local installation codes, and by a person familiar with the construction and operation of it, as well as the hazards involved. Inspect item and contents carefully. If any damage or defect is found, do not install. Retain all packaging material until installation is complete and approved.

1. Install threaded stud into cross bar and tighten nut.
2. The stud should project about 1/4" beyond the fixture body.
3. Mount cross bar to outlet box using outlet box screws.
4. Make electrical connections using wire nuts. If there is no green ground wire from the outlet box, connect the fixture ground wire to the cross bar with the green screw provided.
5. Attach fixture over outlet box with cap nut.

Care Instructions: Clean only with a soft dry cloth or feather duster. Do not use abrasive or chemical agents.
